What Do I Wear To Dance Class?

All dancers should wear a leotard and tights!

Wearing a leotard is so important because it enables you to move easily, covers your body appropriately, and allows me to be able to see if your body is aligned correctly. Wearing tights under your leotard is like wearing long underwear. Tights keep your legs warm, your shoes fitting properly, and your leotard in place. Feel free to wear your choice of color or print leotard along with a ballet skirt, jazz shorts, or jazz pants.

*Of course, you are welcome to wear a sweater or sweatshirt until after warm-ups.

*Be sure to pull your hair up and back out of your face ☺.

What Shoes Do I Wear To Dance Class?

- Creative Movement, Pre-Ballet, and Ballet -Pink Ballet Slippers
- Pre-Tap and Tap -Black Low Heel Tap Shoes
- Jazz -Black Jazz Oxfords or Black Jazz Sneakers

Need a Leotard, Tights, or Dance Shoes?

- Wal-Mart, Target, and Payless

In the fall you can purchase small children's dance wear and shoes at these stores.

**Beware of the house slippers that look like ballet slippers!* Ballet shoes are leather with an elastic strap across the top. They should be form fitting to your foot but allow you to wiggle your toes.
