## What Should I Wear To Dance Class? ...A Leotard and Tights!

Wearing a leotard is so important because it enables you to move easily, covers your body appropriately, and allows your instructor to see if your body is aligned correctly. Wearing tights under your leotard is like wearing long underwear. Tights keep your legs warm, your shoes fitting properly, and your leotard in place. Feel free to wear your choice of color or print leotard along with a ballet skirt, jazz shorts, or jazz pants.

\*Of course, you are welcome to wear a sweater or sweatshirt until after warm-ups.

\*Be sure to pull your hair up and back out of your face 😊.

## What Shoes Should I Wear? ... Ballet, Tap, or Jazz shoes!

- Creative Movement, Pre-Ballet, and Ballet -Pink Ballet Slippers
- Pre-Tap and Tap -Black Low Hell Tap Shoes
- Jazz -Black Jazz Oxfords or Black Jazz Sneakers
